Attention:

As a result of our racer vote in Johnsonville and all of the request that we have been receiving, we have decided to mandate Maxxis tires (HT-3 Pink) for the remainder of our 2011 schedule. Many have expressed that this is a more cost efficient option that will allow more of the "Saturday night" racer a chance to participate in our series. The top 10 points finishers in each class will receive an invite to the 2011 Maxxis Nationals.

Also Starting at the March 19th race, ARC Billet Flywheels will be allowed in all clone classes. This will be optional. Look for ARC bonus money at our next few events!
