Why race with us at a Tri-State event?

We realize that it cost a lot of money to attend large karting events. At the Tri-State series, we try to offer you the most "bang for your buck". We pride ourselves in having the **BEST** race official staff in the country. We staff four (4) **EXPERIENCED** corner marshals for you and your child's safety. We have an **EXPERIENCED** flagman and a **PROFESSIONAL** announcer to give your racer the recognition he/she deserves. We employ trained emergency medical technicians to be on hand during all practice and qualifying sessions. When possible, we have an equipped ambulance on site for all feature races. When compared, our entry fees are often **LOWER** than comparable events with **BETTER** payouts. We also offer year end awards to our point champions. We would like to invite everyone to give us a try on Oct 8th.
